PROFESSIONAL SUMMARY

React JS Developer with 3+ years of hands-on experience in building scalable, responsive, and high-performance web applications. Strong expertise in HTML, HTML5, CSS, JavaScript, React JS, Bootstrap, Material UI (MUI), Python, Django REST Framework, and Git. Experienced in developing reusable UI components, handling complex forms, integrating REST APIs, and delivering production-ready applications in Agile environments. Proven ability to collaborate with cross-functional teams and deliver business-driven solutions.

TECHNICAL SKILLS

Frontend	React.js, JavaScript (ES6+), HTML5, CSS3, Bootstrap, Material UI (MUI), Responsive Web Design
Backend	Python, Django, Django REST Framework (DRF), REST API Development
Tools	Git, GitHub, Bitbucket, VS Code, Postman, Chrome DevTools
Methodologies	Agile, Scrum, REST API Integration, Component-Based Architecture, Cross-browser Compatibility
Concepts	Lazy Loading, Code Refactoring, Performance Optimization, CRUD Operations, Form Validation
Soft Skills	Problem Solving, Team Collaboration, Stakeholder Communication, Attention to Detail

PROFESSIONAL EXPERIENCE

React JS Developer

August 2023 – Present

Pranathi Software Services Pvt. Ltd. — Hyderabad, India

- Developed responsive and interactive user interfaces using React JS and modern JavaScript (ES6+).
- Built scalable and modular UI components using Material UI (MUI) and Bootstrap.
- Implemented clean and reusable components to improve maintainability and development efficiency.
- Integrated RESTful APIs and ensured seamless data flow between frontend and backend systems.
- Developed backend APIs and services using Python and Django REST Framework (DRF) for various modules.
- Worked closely with business analysts and stakeholders to understand requirements and deliver solutions accordingly.
- Optimized application performance through code refactoring, lazy loading, and efficient rendering techniques.
- Participated in debugging, troubleshooting, and fixing UI and functional issues.
- Used Git, GitHub, and Bitbucket for version control and collaborative development.
- Followed best practices for UI consistency, responsiveness, and cross-browser compatibility.

PROJECT EXPERIENCE

SEO & SMM Platform

Tech Stack: React.js, Material UI (MUI), Python, Django REST Framework, REST API, Git — Digital Marketing

- Built responsive and user-friendly dashboards for SEO and SMM operations.
- Integrated REST APIs for full CRUD operations — campaigns, keywords, competitors, posts, and reports.
- Developed backend endpoints using Django REST Framework for campaign and report data.
- Developed modules for campaign management, social media scheduling, and performance tracking.

Smart Investor Deck

Tech Stack: React.js, Python, Django REST Framework, REST API, Charts — AI-Powered Pitch Deck Platform

- Developed a drag-and-drop pitch deck builder with real-time preview and multi-user collaboration (editing & commenting).
- Integrated dynamic charts for financial data visualization; built admin portal and subscription billing modules.
- Built REST APIs using Django REST Framework to handle pitch deck data and user management.

Auto SDLC

Tech Stack: React.js, Python, Django REST Framework, REST API — AI-Driven Documentation Platform

- Designed dynamic forms for BRD/FRD requirement collection with conditional rendering and complex form validation.
- Built template management module; integrated APIs for PDF/Word export; developed Admin and Customer portals.
- Developed backend services in Django REST Framework for document generation and template management.
- Improved rendering performance, reducing document generation time by approximately 50%.

Talent Scan

Tech Stack: React.js, Material UI (MUI), Python, Django REST Framework, Git, Bitbucket — AI Recruitment Platform

- Designed and developed responsive interfaces; integrated AI-based resume alignment and candidate screening features.
- Built backend APIs using Django REST Framework for candidate data processing and AI integration.
- Identified and resolved UI/functional bugs; implemented performance optimizations to improve load time and responsiveness.

EDUCATION

Degree / Certificate	Institution	Year	Score
B.Sc – Computer Science	Girraj Government College, Nizamabad	2019 – 2022	CGPA: 7.49 / 10
Senior Secondary (XII)	Sr Junior College, Nizamabad (TSBIE)	2019	93.30%

ACHIEVEMENTS

- Scored 93.30% in Senior Secondary (Class XII) — Telangana State Board of Intermediate Education.
- Reduced document generation time by approximately 50% through performance optimization in Auto SDLC platform.
- Successfully delivered 4 production-grade AI-powered platforms across Digital Marketing, FinTech, Documentation, and Recruitment.
